

## Westlake Chemical Partners Provides Tax Reporting Information

September 15, 2022

**HOUSTON, September 15, 2022** -- Westlake Chemical Partners (NYSE: WLKP) today provided the following information regarding 2021 investor tax reporting:

As previously noted in the 2021 Investor Tax Reporting Package for your investment in Westlake Chemical Partners, LP, the Partnership will report items of international tax relevance to our partners on new Schedule K-3 beginning in tax year 2021. As we disclosed in our quarterly distribution press releases, all of our income is effectively connected with a United States trade or business. However, a limited number of unitholders (primarily foreign unitholders and unitholders having US international reporting obligations) may need the detailed information disclosed on Schedule K-3 for their specific reporting requirements.

Our Schedule K-3 for tax year 2021 is now available online at [www.taxpackagesupport.com/WLKP](http://www.taxpackagesupport.com/WLKP). This information may be necessary in the completion of your tax return. As such we encourage you to review the information contained on your Schedule K-3 and refer to the appropriate federal laws and guidance or consult with your tax advisor.

### **About Westlake Chemical Partners:**

Westlake Chemical Partners is a limited partnership formed by Westlake Corporation to operate, acquire and develop ethylene production facilities and other qualified assets. Headquartered in Houston, the Partnership owns an 22.8% interest in Westlake Chemical OpCo LP. Westlake Chemical OpCo LP's assets consist of three ethylene production facilities in Calvert City, Kentucky, and Lake Charles, Louisiana and an ethylene pipeline.
